Questions	Answers
1. Do you require material and elastic to be festooned or on rolls? If festooned is there a qty/box requirement?	The State of Nebraska is requesting the waistband material to be on rolls. The State of Nebraska will accept the elastic to be festooned in boxes of 1,000 to 1,300 yards. The boxes must be clearly marked with yardage.

Per the "Estimated Annual Usage" section on page 2 of 5 in the Specifications, Terms and Conditions it states "...Orders are to be placed on an 'as needed' basis with no minimum." Usually, orders are placed for 10,000 yards of elastic and 5,000 yards of waistband per purchase order.
3. Do you require the boxes delivered on pallets?	The State of Nebraska will not require boxes to be delivered on pallets.
